Full character information in FVTT

While the faith of the Great Apparatus is officially outlawed, it retains a widespread following among the gnomes, and a lively, if covert, clergy.

You are one such underground cleric, young enough to still believe that the struggle for freedom will succeed in your lifetime, but wise enough to know it will come at a great cost in lives.

Your single-minded purpose is to minimize the harm that comes to your people and to your fellow fighters as long as the struggle continues.
